

## **The National Advocates Announces Caryn Green as One of Its Top 100 Lawyers in Florida**

**For immediate release**

**The National Advocates** is pleased to announce that **Caryn Green** of Green Family Law in Orlando has been selected for inclusion into its **Top 100** attorneys in Florida as a **Top 30 Matrimonial and Family Lawyer**. It is an honor available only to a select group of lawyers in recognition of their superior skills and qualifications as top attorneys in their primary areas of practice. The selection for this exclusive list is limited to only 100 attorneys in each state or highly populated region of a state. The Top 100 includes only 30 attorneys in that state or region whose primary area of practice is Matrimonial and Family law. Those selected have demonstrated extraordinary abilities with superior results, a high level of peer respect, and client satisfaction.

**The National Advocates** is a professional organization comprised of the **Top 100 lawyers** in each state or region across the country who have demonstrated exceptional qualifications in areas of practice including **Top 30 Matrimonial and Family Law, Top 20 Workers' Compensation and Employment Law, Top 15 Social Security Disability Law, Top 10 Immigration Law, Top 15 Consumer Bankruptcy Law and Top 10 Wills, Trusts, Estates and Probate Law**. **The National Advocates** provides recognition to these distinguished attorneys, and provides essential legal news, information, and education to lawyers across the United States.

With the selection for membership by **The National Advocates**, Ms. Green has exemplified superior qualifications, leadership skills, and case results as a legal professional. The selection process for this elite honor is based on a multi-phase process which includes peer nominations combined with third party research. As **The National Advocates** is an essential source of networking and information for attorneys throughout the nation, the final result of the selection process is a credible and comprehensive list of the most qualified lawyers chosen from each state or region.
