Re: Super Lawyers 2019 Top Women in Florida List

Dear Caryn:

Congratulations on being selected one of the Top 50 Women in all of Florida by SuperLawyers magazine. There are more than 89,000 active members of the Florida Bar, of which only 34,712 women. Being listed amongst the top 50 women lawyers in the entire state is quite an accomplishment. I know this distinction comes on the heels of many years of dedication and professionalism. Thank you for all of your hard work in not only serving your clients, but also advancing women in our profession.

Best regards,

Dineen Pashoukos Wasylik
